Manny Khoshbin Childhood and Education

Manny had four brothers and spent his early years in Iran before his family made the decision to move to the United States in 1985. In order to save Manny and the other kids from suffering the same fate, he wanted to escape the war in Iran, which had caused the deaths of a couple of his relatives.

He had a hard time adjusting during his first few years in the country, especially since he had to take English classes at school and didn't know the language. He was bullied by other kids as well, although he didn't understand the meaning of most of the offensive language they used. In high school, he sold things at a weekend swap fair, which was his first business experience. At the age of 16, he began working, sweeping the floor and gathering shopping carts from the Santa Ana Kmart parking lot. Read below to check out the **manny khoshbin net worth**.
